- (c) Except for negligence, the Credit Union is not liable to me/us for any action it takes regarding payment or nonpayment of a share draft.
- (d) Any objection respecting any item shown on a monthly statement of the share draft account shall be waived unless made in writing to the Credit Union within 60 days after the Statement is mailed.
- (e) All non-cash payments received on shares in the share draft account will be credited subject to final payments.
- (f) The share draft account will be subject to service charges in accordance with the rate schedules adopted by the Credit Union from time to time.

If you do not have a signature loan overdraft protection account the draft will be returned for NSF and a fee will be assessed. As a general rule, **if a member writes three (3) checks returned for NSF in the first three (3) months a share draft account is open, they will receive a warning letter. If there are three (3) more NSF items in 90 days the account will be closed;** California Adventist Federal Credit Union reserves the right to close any account at any time, for unsatisfactory activity, even in advance of this general rule, if it deems it advisable, in its discretion, to protect its accounts or its members.

- (h) The use of the share draft account is subject to such other terms, conditions; and requirements as the Credit Union may establish from time to time.
